I am an able-bodied individual that likes challenges and am capable of adapting and learning quickly. I'm looking to work with a team to produce efficient results that simultaneously allows me to grow.

Authorized to work in the US for any employer

Work Experience

Assistant Manager

Wendys-Cle Elum, WA

September 2023 to Present

Helped build and run a brand-new store quite literally from the ground up.

Aviation Structural Mechanic

GulfStream Aerospace-Savannah, GA

November 2022 to July 2023

Worked on assembling the wings of aircraft. Had the responsibility of leading assigned zone section and brought in ideas to the current coordinators who wanted them to be submitted to the company.

Licensed Insurance Agent

Bankers Life-Savannah, GA

December 2021 to October 2022

Insurance Agent

Selling life, health, annuities.

Certified with:

Humana

Aetna

United Healthcare

Cigna

Wellcare

Clover

Anthem

Crew Member

Sonic Drive-In-Ellensburg, WA

August 2021 to September 2021

Worked in the kitchen, stocked and closed every night. Worked expo and learned front.

Merch Support

Nordstrom Rack/Haute Look Fulfillment Center-Auburn, WA
November 2020 to December 2020

Working with online orders, adjustments on the Floor, and customer service.

Data Collector

C3 Public Strategies Inc.-Maple Valley, WA
September 2020 to November 2020

Collecting data involving campaigning, which included making sure the votes of the people were counted despite any discrepancies, like their first time voting, having a hiatus from voting, etc.

Production Specialist

American Builders Supply-Auburn, WA
August 2020 to September 2020

Standard warehousing work and assembly of doors. Use of drills, nail guns, and rivet guns. Worked with processing and executing work orders as efficiently as possible. Frequently was working at the front of the assembly line. Being first in the assembly line meant I had to set the pace to keep the work flow going.

Work Study

Central Washington University-Ellensburg, WA
October 2019 to January 2020

Set construction for Theater

McDonalds Crew Member

McDonald's-Auburn, WA
June 2019 to September 2019

It was pretty standard, I just learned quickly. However, the McDonald's I went to was overstaffed; so, I never got enough hours

Robotics

FRC-Auburn, WA
January 2019 to June 2019

It was a job simulation that involved a tournament. The base started with having 6 weeks to design and formulate the campaign. This included the business, presentation, and physical design aspects. We learned everything from mechanical, electrical, pneumatics (some hydraulics, but this was not allowed for FRC), metalworking, woodworking, and programming. We learned how to use rivet guns, basic drill-work, counter sinks, and even learned all the machinery in the wood shop room. We did not have the ideal workshop, but we made it work.

Student

Auburn Mountainview High School-Auburn, WA
September 2014 to June 2019

- Band President
- Drumline Captain
- 6th Place FRC Robotics
- Regionals National History Day

- Testout PC Pro Certification
- State Track 2 years in a row
- PLU Honor Band
- State Alternative for Solo Ensemble
- 250 hours building houses for Habitat of Humanity
- Actor and Tech for Drama
- Volunteer work for FTC Robotics
- Habitat Warehouse

House candidate

Habitat For Humanity-Auburn, WA

January 2017 to June 2017

Building houses and Warehouse Work when I turned 16. My family was part of a veteran program for community service and getting a house built. Because of my age, I was not allowed to use power tools; however, I know how to use most of them due to Robotics and Set Construction.

Education

Some in Music, Engineering, and Theater

Central Washington University - Ellensburg, WA

2019 to Present
